AGENDA

ITEM 1

Welcome and Introductions

Edith Suttles welcomed everyone and initiated introductions.

ITEM 2

Minutes of November 14, 2017 Meeting

Due to no quorum, this item will be brought back for vote at the next meeting (attachment on file).

ITEM 3

Updates from Advisory Council Subcommittees

Kate Snyder distributed a handout of completed and current projects. (Handout on file)

a) College Access and Affordability Committee

Michele talked about the Michigan Career Pathway Alliance and updates, cross walk of career and tech ed and college access boards in existence across the region to find out who is doing what with whom and how to better work together, and with Michigan Capital Region on their dashboard. Also, Eaton RESA College Access Network voted to integrate.

b) Data Committee

Kate explained that this committee looks at metrics and benchmarks of success. She talked about the regional dashboard and will hopefully have something to share with the council at the next meeting.

c) Programs Committee

Sue talked about MI Bright Future, with Michelle Cordano explaining the Lansing School District pilot program and Sue the Eaton County pilot. Sue talked about the Reverse Job Fair taking place on May 9 in which employers from manufacturing, construction and IT will be invited so students can show employers what they are doing in the tri-county area.

**CONNECTING ASSETS,
DEVELOPING TALENT**

d) Awareness Committee

Kate talked about the Lansing Give Camp preparing to launch a new T3 website, the Going PRO in Michigan campaign, and the #Gain STEAM Business Council blog.

ITEM 4

T3 Membership Updates

Carrie explained the membership updates per the new policy issuance and WIOA requirement shift. Talent District Career Council (TDCC) will be replaced with Career and Educational Advisory Council (CEAC).

ITEM 5

Grow with Google

Kate explained the event as a tour to create economic opportunities. The event will be held at LCC on March 9 and 10 and consist of a series of workshops focusing on job seekers, business, the general public and educators. Events are being held across the nation. Kate will send out Google toolkits to all council members. Kirk and Scott talked about what ITEC and CADL are doing with Google. (Handouts on file)

ITEM 6

Other Business

Carrie talked about MCRReady Going PRO and grant opportunities available. For more details, contact Brindley Byrd via the information on the flyer. (Handout on file) Teresa talked about a stakeholder meeting held at CAUW addressing how groups can work together to achieve community goals, i.e. CAPCan, C3R, T3.

ITEM 7

Next Meeting – May 8, 2018 at 3:30 pm

The meeting adjourned at 4:37 p.m.
